## **FOR IMMEDIATE RELEASE**

### **Winter Reading Means Giving at Lake Villa District Library**

**First Book**, a nonprofit organization that provides new books to low-income children in the United States and Canada, is the 2015 beneficiary of Lake Villa District Library's Winter Reading Programs.

It's become a tradition at LVDL for the winter reading program to benefit a charitable organization and this year is no exception. Every hour read translates to \$1 donation and every Winter Reading participant can earn up to \$5 that will be donated directly to First Book. All donations are funded by the generous support of the Friends of Lake Villa District Library.

There is a winter reading program for people of all ages---children, teens and adults---and everyone is encouraged to participate and help make a difference in a child's life. Reading logs will be available at the Youth and Adult Reference Desks beginning January 2, 2015.

**Lake Villa District Library enriches life in our community by connecting people with resources, services and each other. The library is located at 1001 E. Grand Avenue, Lake Villa, Illinois.**
