Lake Villa District Library Board to Lease Grand Avenue Location

Lake Villa District Library officials agreed to a renewable one-year lease for the former library building at 1001 E. Grand Avenue in Lake Villa. A division of the Lake County Sherriff will occupy the building as temporary administrative space.

“It was an ideal situation,” said Board President Tony Gundrum. “Lake County Sheriff was in need of a temporary location and 1001 Grand Avenue was a perfect fit.” Staff from the Sherriff’s office took occupancy on November 15.

Additionally, the library board is investigating options for a public auction of the remaining office furniture and equipment and has contracted with Robert Frank Realty to sell the property.

Lake Villa District Library enriches life in our community by connecting people with resources, services and each other.
