

For Immediate Release

The New Lake Villa District Library To Open Monday, August 5

The new Lake Villa District Library will open at its new location, 140 N. Munn Road, Lindenhurst, Illinois, on Monday, August 5 at 9am and will resume normal business hours.

“This is the day we’ve been waiting for,” said library director Andy Lentine. “We are excited to open the doors to the community.”

The 66,000 square foot facility, nestled on Crooked Lake, is comprised of three floors. The main level contains the adult collection, business center, public computers, study rooms, meeting rooms and space to enjoy light refreshments or to meet with friends. The lower level is the Youth Services Department and contains the youth collection, a dedicated computer area, hands-on activity and imaginative play areas, and plenty of places for parents and caregivers to watch over their children. The lower level also has a dedicated area for young adults--- students in grades 7 – 12-- that includes the YA collection, computers, study room, gaming room, program room and comfortable seating areas. Administration, other staff offices and board room are located on the upper floor.

A grand opening celebration will be held sometime in September. Details will be available soon.

Lake Villa District Library enriches life in our community by connecting people with resources, services, and each other. For more information visit www.lvdl.org
