

Lake Villa District Library

Strategic Plan

Fiscal Years 2025 & 2026

We enrich lives by connecting people with resources, services, spaces and each other.

Goal

We Are A Community Haven

Tactics

- We welcome everyone warmly.
- We have vibrant and inviting spaces to gather and connect.
- We foster a sense of community pride.
- We ambitiously and intentionally reach all community members.
- We are committed to inclusive placemaking and accessibility.

Goal

We Delight Our Community

Tactics

- We expand literacy, knowledge, and worldview through collections.
- We inspire the pursuit of lifelong discovery through experiences.
- We evolve and respond to community needs by growing and/or refining services.
- We intentionally seek community input.
- We are dedicated to learning and strategically implementing emerging technologies.

Goal

We Value Our Community

Tactics

- We cultivate meaningful relationships.
- We purposely and actively embed ourselves in the community.
- We collaborate generously and strategically with community focused groups and organizations.
- We use stories to evoke an emotional connection.
- We have a compelling team dynamic.

Every day, we act in service to our community and each other.
